Dear Neil:

I have received your letter (enclosed) dated October 22, 1997, regarding certain contribution refunds reported on line 28(a) in our April and September Monthly reports. As we discussed on the phone, these refunds were necessary since our collecting agents had previously remitted these contributions to NEA-PAC. The original amounts remitted were made by several individual members and were not reportable under FEC guidelines since the aggregate contributions by these members were less than \$200 per individual. Therefore, these amounts were not reported to the FEC on line 11(a)(i).

If you need any further information, please feel free to contact me.

Sincerely,

Gerard Polchinski  
NEA-PAC Controller
